

# EXP-6 Assembly Instructions

- A. Shipping Case
- B. Graphics Carrying Tube
- C. Shelves & Storage Pouch
- D. Countertop & Storage Pouch
- E. PVC Kickplate
- F. 4 Graphics Velcro Attachments

1. Stand shipping case upright, unlock the 4 clips, & open case.

2. Lift up countertop latches. Align underside groove with shipping case edge & rest in place.

3. Secure 4 underside latches to hooks attached to shipping case.

4. Insert 4 shelves into designated slots.

5. The PVC kickplate includes Velcro on the ends. Wrap piece around the front base to conceal wheels & attach to the corresponding Velcro on the inside of the case.

6. For units with graphics, remove adhesive backing of 4 Velcro attachments & apply to backside of graphic. Be sure to align with corresponding Velcro within case. Insert panel within kickplate & secure Velcro accordingly.
