

Certificate of Slip Resistance  
Show Floor

Certificate Date: October 24, 2015

PNH Innovations declares that the “Show Floor” printed media has been tested by independent specialized laboratories and shown to meet or exceed the minimum requirements of the ***Static Coefficient Of Friction Of Flooring Surface Against Standard Leather By The James Machine (ASTM D 2047-2004)*** and ***DS class according to EN13893***.

Copies of the testing facilities certifications to the above standards are on file at PNH Innovations headquarters in Montreal.
