# HEALTHY LEARNING

## Promoting Healthy Learning Environments

pnh.ca

MADE IN CANADA

As we get accustomed to a new normal with Covid-19, PNH Solutions is committed to making the transition as easy as possible. Our Healthy Learning product line aims to create a safe environment for both your teachers and your students, by encouraging social distance practices.

More than ever, we believe the right products can inspire the best actions.

## About

PNH Solutions is a large format print service provider and custom hardware manufacturer that specializes in turn-key marketing products for events, retail environments, exhibits and trade shows. By closely collaborating with our clients during every stage of the design and fabrication process, we develop, entirely in-house, functional and award-winning products that blend cutting-edge large format print, metalwork, millwork and LED technologies.

- Two 36" aluminum upright extrusions – set screws for holding the acrylic shield
- Full height or use the built in stop at 6" up for product or payment pass through
- Satin Silver finish

Self adhesive base

**WEAR A MASK**
To help keep everyone healthy all customers must wear mask upon entering the Club.

**WASH YOUR HANDS OFTEN**
Wash your hands with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer.

**COVER YOUR COUGH & SNEEZE**
Cover your mouth and nose with a tissue or your sleeve when coughing. Do not sneeze or cough into your hands.

**AVOID TOUCHING YOUR FACE**
Avoid touching your eyes, nose, and mouth with unwashed hands. Avoid close contact with people who are sick.

## Manual Pump Hand Sanitizer Dispenser Stands

- 12" square steel base, secures to upright with 1 screw from side
- 11" Round steel base, secures to upright with 1 screw from side
- Two upright options: fixed 36" H or telescopic 28-50" H
- Top tray 4" Square, with 2" H lip, steel, secures to top of upright with screw from above - works with hand sanitizer bottles up to 4" W x 3.5" D
- Knob in tray - tightens bottle in place, reduces movement

- Filter (sold separately) removes at least 99.427% of airborne particles.*
- Create one or more graphic designs with your logo, slogan, company colors, etc. We also offer 33 designs with either patterns or solid colors. Buy in bulk and save!
- As we print the graphics through a dye-sublimation process, they are embedded (sublimated) into the fabric – wash them in the washing machine and reuse them, without the graphics fading, cracking or peeling.
- Each mask has 3 layers: a heavier printed polyester fabric on the outside, a removable filter and a lighter unprinted sleeve for the filter. The filter covers the nose and mouth to provide the protection you require, while keeping you cool and breathing easily.
- Made with OEKO-TEX® compliant fabric** and water-based inks that are free of harmful substances and do not cause any skin or eye irritations.
- The filter is removable and also machine washable. It is rated for 2 to 5 day use in environments with average pollution. The length of use between washes is a personal matter and up to each individual. Replacement filters sold separately in packs of 10.
- With 3 sizes available (S, M & L), 3 layer construction & 2 finishing options (2 elastic headbands with toggles or ear loops), our masks remain comfortably in place.
- Packaged in a convenient carry pouch.
- Made entirely in Canada
